

APPRENTICE CARPENTER

ABOUT THE ROLE

Redrow Homes are looking for an individual who is passionate about carpentry and other aspects of building to join as an Apprentice Carpenter. As an apprentice you will be studying towards a level 2 apprenticeship in Carpentry which will include both theory and practical skills for a duration of 22-months.

Your time as an Apprentice Carpenter will be split between working on site with an experienced tradesperson learning from their years of expertise, and intensive block release training at the SMG Group, Coalville, Leicestershire.

As a Trade Apprentice with Redrow, you will join the next generation of house builders and start gaining the knowledge and skills needed to build the incredible communities that Redrow are well known for. Housebuilding is an exciting industry, and this is the perfect way to kick-start your career. If you want to start earning while gaining the knowledge, skills, and qualifications, then Redrow's Carpentry Apprenticeship programme is perfect for you!
