

TRAINEE SITE ASSISTANT

ABOUT THE ROLE

To assist the Site Manager and Assistant Site Manager on a phase or development within the geographical area of the Division they are employed in to provide a quality product efficiently, safely and professionally; within set budgets and agreed timescales to the Redrow standards.

The Trainee Site Assistant is encouraged to spend their time on site working through their matrix to learn and experience all elements of being an Assistant Site Manager and a Site Manager. The role involves shadowing others, carrying out tasks with and without guidance, learning and additional reading and becoming responsible for certain elements. It is essential that they are flexible and carry out what the Site Manager and Assistant Site Manager require of them. They must be flexible, positive, a good team player, organised and driven.

Reports to: Site Manager and/or Assistant Site Manager
