

BRICKLAYING AND CARPENTRY APPRENTICESHIPS

ABOUT THE ROLE

Redrow Homes are looking for individual's who are passionate about bricklaying or carpentry and all other aspects of building. As part of the apprenticeship you will be studying a L2 in either Bricklaying or Carpentry which will include both theory and practical experience with one of Redrow's chosen training partners..

Your time as an Apprentice Bricklayer or Apprentice Carpenter will be split between working on-site with an experienced tradesman learning from their years of expertise and college-based study, leaving you with the essential industry qualification. It takes time to learn the quality and skills necessary to be the best and we are looking for candidates who are willing to commit the time needed to achieve the best.

As a Trade Apprentice with Redrow, you will join the next generation of house builders, fulfil your passion and start gaining skills needed to build the incredible communities that Redrow are well known for. Housebuilding is an exciting industry and this is the perfect way to kick-start your career. If you want to start earning while gaining the skills, and qualifications, then Redrow's Trade Apprentice programme is perfect for you!
